

# The big catch

Jesus performed amazing miracles for many people. One of those amazing miracle was when Jesus feeds over 5,000 people—with just a little boy's lunch.

Have the children discuss in small groups:

**Talk about a time when you were really hungry.**

**What are some needs you can trust God for this week?**

The 5,000 people who were hungry that day didn't know where their food was going to come from. The disciples even asked, "How are we going to feed these people?" Jesus answered all of them with one boy's lunch. This miracle shows us that God can give us exactly what we need—and he can do it from places we don't even expect. That's why we trust God to provide.

It is exciting that God want to use us, His people.

Jesus took what little the disciples found, and did something **amazing**.

He can do the same with our lives, when we are willing to bring Him whatever we have.
