

# Baby Moses

## Does it float?

Draw a circle around each of the things which you think would float.

## Questions to discuss in class:

After watching the video clip, discuss these questions:

1. When you were a baby, what did you sleep on?
2. In the story, the baby Moses had to be hidden. How easy do you think it is to hide a baby?
3. How did God make sure that baby Moses was saved?
4. How has God looked after you since you were born?

# Baby Moses

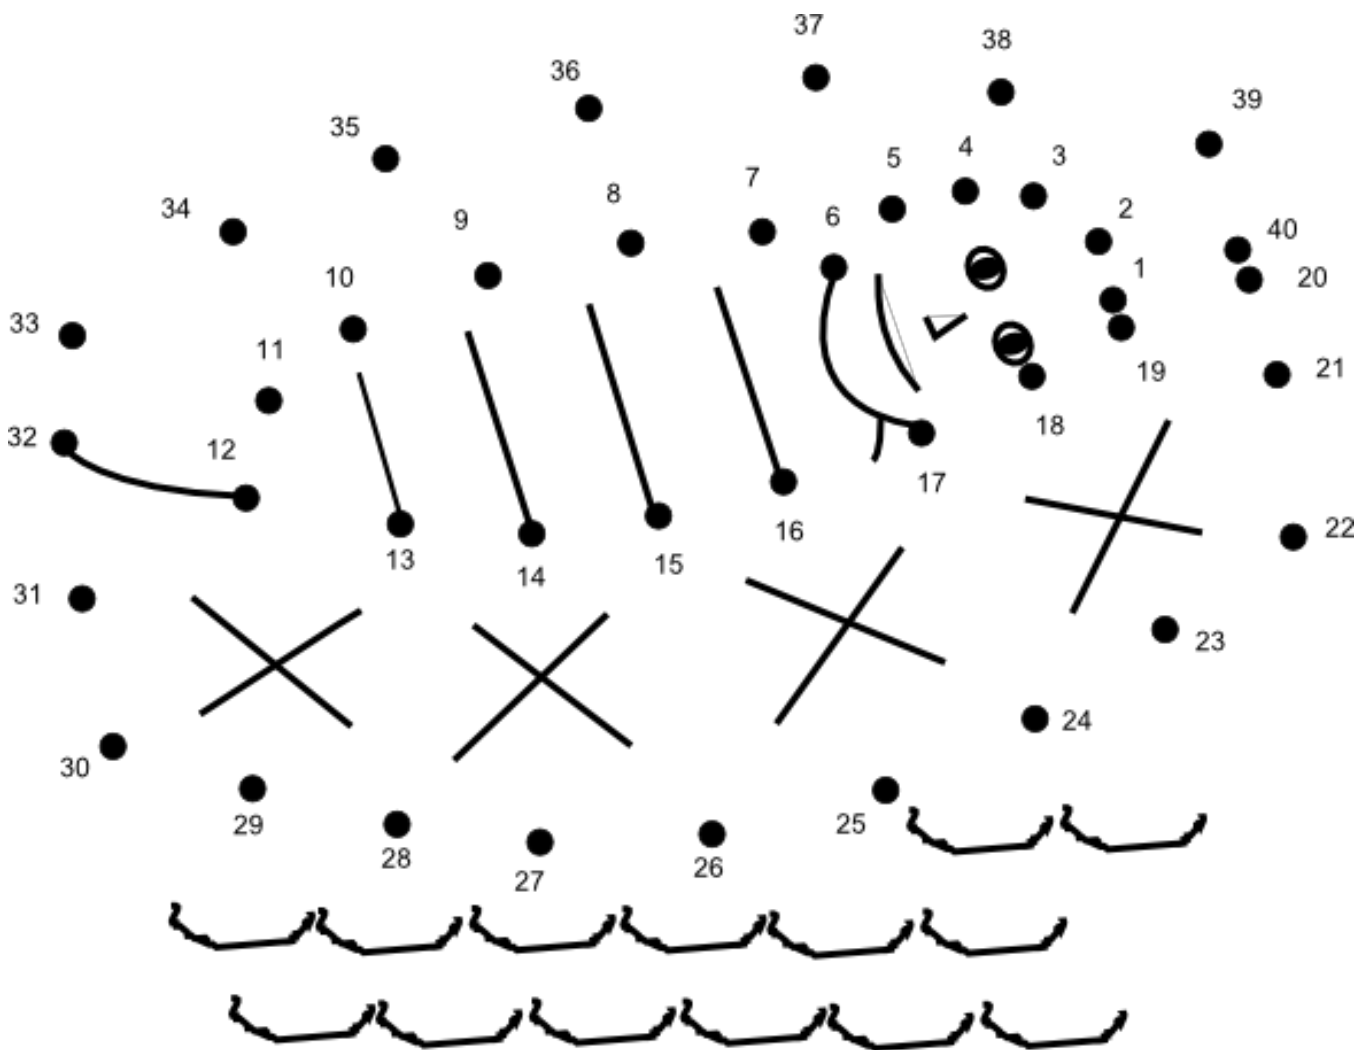

## Baby Moses Dot-to-Dot

Moses' mother protected him from the King who wanted to hurt him.

Moses sister listened to God's voice and saved him.

Connect the dots to see where she put him to keep him safe.

God still works in our world today.
