

Dear Headteacher / RE Co-ordinator,

Club 707 Schools is inviting your school to take part in our Rugby World Cup Project. There will be no charge for this although donations are gratefully received.

What is it?

The RWC project is a school-based activity programme for pupils in year 4 up to a maximum of 60 pupils. It is a 1 hour 30 mins lesson that mixes fun and activity with educational, curriculum-based learning incorporating RE, PHSE, PE, Geography and other areas. It takes **resilience** as its main theme and uses the Bible story of David and Goliath as its focus. The children are divided into groups (countries), participate in a rugby skills session followed by activities exploring the theme and applying it to everyday life.

We are offering this resource over a period of 2 weeks so please select a 1st and 2nd preferred option and we'll try our best to give you your 1st option.

What we need from you?

Confirmation of your chosen date and numbers of pupils expected to attend. Use of a hall with IT facilities so that we can play some rugby games and deliver the lesson. Notification of any special requirements of individual pupils.

What we provide.

Delivery of the project by our schools worker and trained volunteers. All materials to be used in the session.

Please contact Alyson Godfrey by October 1st to book your session.
